- To offer coaching and recreational opportunities in canoeing and kayaking
- To promote the club within the local community and canoeing/kayaking
- To promote the club within the local community by recreational canoeing and kayaking
- To manage the club site
- To manage the club site in conjunction and with the participation of all site users
- To ensure a duty of care to all members of the club – no change
- To provide all club services in a way that is fair to everyone
- To provide all club services in a way that is fair to everyone whilst upholding the core principle of recreational canoeing and kayaking
- To work in partnership with the other organisations and persons using the club site
- To work in partnership with other organisations and persons using the club site for the betterment of the community
- And an additional one:
- To uphold the principle of the club being a non profitable charitable organisation

**2. Proposed additions to the HWATC Constitution: two proposed new clauses to be inserted between clauses 9 and 10 of the current constitution (which can be viewed on the HWATC website).**

### **GDPR (General Data Protection Regulation)**

The HWATC Privacy Policy, approved by committee on 16/8/18, follows national GDPR guidelines and appears on the club's website.

### **Third party hire and use of HWATC site and equipment**

HWATC committee will formulate a hire and charging policy, with charges varying according to:

- whether the hiring organisation is charitable or commercial;
- the level of equipment used;
- the size of the group using the site and equipment.

Charges will be set annually at the club AGM. The Club expects other organisations using HWATC facilities to be clear and transparent when detailing the charges they make to individuals regarding hire of site, use of equipment, etc.
